 Happy Labor Day!

Labor Day is a time to recognize and celebrate the contributions and achievements of American workers. We hope everyone enjoys a safe and relaxing holiday weekend with family, friends, and neighbors!

 Street Clearance Reminder

As a friendly reminder, please check trees and branches on your property that may be hanging over the roadway. To help keep our streets safe and accessible, branches should be trimmed to maintain **14 feet of clearance above the street.**

This allows road crews, emergency vehicles, and other large equipment to safely travel through our community.

 Water Bill Reminder

Please remember to read your water meter on the 1st of each month. Water bills are due on the 20th of each month. Payments received after the due date should include a \$10 late fee.

 OPPD Meter Upgrades

OPPD crews will be upgrading electric meters throughout the area over the next several months. You may see OPPD employees or contractors working near your property.

Questions? Contact OPPD at 1-877-536-4131 or customerservice@oppd.com.
